

REMARKS

The Examiner's indication that this case is in condition to be allowed when the rejection under 35 U.S.C. §112 is eliminated has been noted with appreciation.

Claim 1 has been revised to provide antecedent basis to the extent appropriate, the phrase "-like" has been deleted, the word "a" has been changed to "said" as suggested and the grammar at the end of the claim has been revised. However, it is believed the word "and" which appeared previously at line 11 (and now at line 9) is, in light of the punctuation, correct.

Claim 18 has been revised in light of the disclosure on page 15 of the application.

In light of all of the foregoing, it is respectfully submitted that this application is now in condition to be allowed and the early issuance of a Notice of Allowance is respectfully solicited.
